

CBA Conquest Business Advisors has routes going back to 1989 and has concentrated on Management Consulting and Training. CBA is a full member of the Cyprus Institute of Certified Management Consultants – Full member of the International Council of Management Consulting Institutes.

We have a long history of participating in EU, co-financed – structural funds and National projects, even before Cyprus became a member of the EU. Our areas of Research and Development expertise cover: Sustainable Development, Human Capital Development, Socioeconomic aspects etc.

We have completed successfully tens of assignments, our participation spans between:

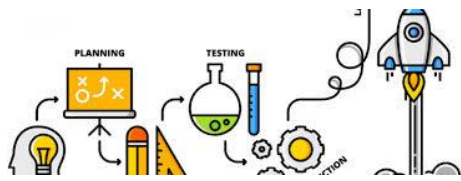

- project promoters
- partners
- technical experts
- building / developing ideas
- planning
- proposal preparation
- implementation and support to involved organisations

We are confident of our ability to participate in any programme for the following reasons:

- Direct and first-hand experience with several EU, Co-Financed and National Programmes
- Evaluation experience of project proposals on behalf of Authorities
- Many years of research experience for public and private sector organisations
- Nearly 30 years of hands-on experience of the Cyprus and International market
- Our unique capability of our own in-house market research division, and our experience in handling major assignments

Throughout the years we have offered our services for projects initiated by – indicative list:

- **European Community Investment Partners**
- **ADEME**
- **Ministry of Energy, Commerce and Industry**
 - Industrial Extension Project
 - Innovation Programmes
 - Digital Transformation
- **Ministry of Labour, Welfare and Social Insurance**
